Dear Parents and Carers

## **Well done!**

Thank you for your ongoing hard work and support with remote learning for your children this term. We understand the pressure that everyone is under at the moment and the challenges that you face on a daily basis. **Well done for coping and, most importantly, for giving your children the support, safely, love and care that they need during this pandemic.** As soon as it is safe to do so, we look forward to welcoming everyone back to school again.

## **Daily Registration on Google Classroom**

**From Monday, we are asking all children to log into Google Classroom every morning and complete a quick form to 'register' for the day's learning.** This will show us as a school who is accessing Google Classroom and preparing to complete some of the work set for that day. If for any reason you cannot access Google Classroom, please email your child's teacher to register for the day.

This routine should help the children as they prepare to work each day. It will also help us monitor engagement in learning and identify families that may need further support in accessing lessons and work. **Please make sure your child registers every day.** If you have any questions, your child's teacher will be able to help you.

## **£5 Voucher Rewards for Children Every Week**

From Monday, teachers will be keeping a record of how much work is being sent to them by the children in their class. **Children who submit two or more pieces of work every day for a whole week will receive a 'virtual' raffle ticket. This will then be put into a draw for their class at the end of each week with a £5 voucher as a prize.** Names will be drawn out at random. Vouchers will be emailed to the winners to spend and their names will be put on the weekly newsletter.

We are doing this to try and motivate and engage the children in their learning and to encourage them to send their work to their teachers on Google Classroom. **If you are not able to submit the work, please inform your child's teacher about what has been done so that your child can also be included.** I'm hoping for lots of raffle tickets to draw at the end of the week. Good luck everyone!

Thank you for your ongoing support and hard work

Yours faithfully

Mr A Dickinson  
Head Teacher
