

Daily tasks

**Reading:**

- Children to read to parents daily. This can be a variety of things e.g. fiction, non-fiction, magazines, online articles.
- Ask your child to read a chapter from their home reading book or a book that they have borrowed from the library. Ask them to create questions based on the chapter that they have read which could be used to test a partner's knowledge. **Please upload examples to @UplandsManor Twitter page.**
- Read The Peculiar Peggs of Riddling Woods and try answering the questions based on the text.

**Maths:**

- Play on TT Rockstars – Encourage them to challenge a classmate to a Rock Slam. Can they get a higher score than their friend?
- Work through activities on Skills Ladder.
- Daily arithmetic for different areas of maths. Your child should aim to work on timing yourself to solve 30 arithmetic questions in 40 minutes.

**Handwriting:**

- Ask your child to write a letter an adult or child that they will miss when they leave Uplands Manor. Encourage them to reflect on why they will miss that person, think about memorable moments and ask them to focus on joined, cursive handwriting.

Lunar Theme Park Project

- Look at the Powerpoint of the Lunar Theme Park Project.  
'The year is 2050. Man is now colonising the moon and Lord Alan Sugar has decided to build the first lunar theme park in history! He wants to commission (pay for) someone to plan. Develop and run the theme park of his dreams...'
- Work through the booklet to complete the different tasks:
  - Task 1 – Create a name and logo for your theme park and jot down ideas. Spend some time thinking about theme parks that you visited. Think about the different types of rides and attractions. Look at Youtube videos of rides for Alton Towers, Drayton Manor, Disney World etc.
  - Task 2 – You have a budget of £500,000 to create a theme park. Draw the design on the squared paper (be sure to consider colours too). Use the table to work out how much each ride or feature will cost and how many squares each item takes up. Be sure to keep track of your money as you go. Remember – you must have the compulsory items.
  - Task 3 – Work out how much it will cost to run your theme park each day using the table of Ongoing Costs. Remember the table shows much it costs to run each item – be sure to multiply by how many you have.
  - Task 4 – Decide on the entrance fee for your park – use this to work out how much money you will make in the first month that your park is open.

- Task 5 - Design a variety of advertisements for your park (Radio, Poster, Leaflet and TV). Use persuasive language and interesting vocabulary to make your advertisements appealing to the reader.
- Show all of their hard work on @UplandsManor Twitter page or to their teachers @MissSedge @Goodall\_Miss @RoddissMiss @templeton\_mr

### Other activities to be completed throughout the week.

#### Positives from Lockdown

Lockdown is a difficult time when we feel that things we love and enjoy have been taken away from us. During this difficult time. You may have learnt new skills, discovered new talents and found more of your special qualities. These positives need to be captured and celebrated. Think about the positives that have arisen from Lockdown and complete the activities – discuss these with your family. Do they agree? What positives have they discovered?

#### Design a Leaver's t-shirt.

Look at the Power point about different artists who create t-shirt prints. Compare the two artist's designs. Are there any similarities? Are there any differences? What do you like/dislike? What would you do differently? Use the template to design a leaver's t-shirt.

Next week - Look at and assess your t-shirt design. Does it show how you have spent your time at Uplands? Are the colours affective? Can you improve it? Find an old t-shirt and transfer your design over. Be sure to share these designs with your teacher on Twitter.

#### Transition activities

It is coming up to the time that Secondary School starts, which can be a little overwhelming for some. On the Home Learning page there are a series of activities to encourage conversation about the changes ahead and how you feel? Work through the activities to help yourself to prepare. Complete the booklet ALL ABOUT ME, this can be taken to your new secondary school when you have completed.

PLEASE CONTINUE TO UPLOAD ANY EXAMPLES OF ANY WORK YOUR TEACHERS WOULD LOVE TO SEE!
