

Learning Project WEEK 2 – The area you live in.	
Age Range: Year 4	
Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Complete the set of Maths activities for this week on Study Ladder Working on Times Table Rockstars - your child will have an individual login to access this (20 mins on SOUND CHECK). If your child works on 'Numbots' in school they can access this with the same login. Work through White Rose Maths Daily Home Learning tutorials and activities. These are excellent daily lessons linked to the National Curriculum. Play on Hit the Button - focus on number bonds, halves, doubles and times tables. Adding totals of the weekly shopping list or some work around money. This game could support work on adding money. Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes. Get a piece of paper and ask your child to show everything they know about Subtraction. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be. Practise counting forwards and backwards from any given number in 10s. 	<ul style="list-style-type: none"> Complete the set Reading activities for this week on Study Ladder. You could share a story every day. This could be a chapter book where you read and discuss a chapter a day. Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Watch Newsround and discuss what is happening in the wider world. Get your child to read an ebook on Oxford Owl, discuss what your child enjoyed about the book. <i>(You will need to set up a username and password to get free access to this)</i> Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers. Make a list of new words learnt and their definitions at the back of their English books.
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Practise the Year 3/4 for Common Exception words. Practise your spelling on Spelling Shed Practise your spelling on Spelling Frame Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified? <p>Choose 5 Common Exception words and practise spelling them using green vowels. Write the word and every vowel complete in green, e.g. spell<u>ing</u>.</p>	<ul style="list-style-type: none"> Continue with the 2 week Talk for Writing unit 'The King of Fishes' – continue from page 13, aim to complete unit this week. <ul style="list-style-type: none"> Write a diary entry summarising the events from the day/week. Write an information report about their local area. Remember to include headings and subheadings. Choose an interesting building they have found out about and write a list of questions they would like to ask. Write a story about a stranger coming to their local area. What happens? Is it a good thing? Or does something terrible happen? Write a setting description to describe their local area. What is in their local area? What do they like/dislike about it and why?

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your city.

- **Let's Wonder:**

Think about their street. What type of houses are on their street? What type of house do they live in? What other buildings are close by? Find out about their local area, what different buildings does it have? How old are some of those buildings? How have they changed over time? Use a map to locate different places. Look on [Google Earth](#). Draw their own map of their local area.

- **Let's Create:**

Choose a building they most admire in their local area. Make a model of that building using materials of their choice. (Playdough, [junk modelling](#), lego etc.....) How well did they do? What would they do differently next time? What have they learnt?

- **Be Active:**

Get out into the garden, pull up some weeds or mow the lawn. Does their garden need a tidy up? Maybe they could plant some seeds.

Recommendation at least 2 hours of exercise a week.

- **Time to Talk:**

Were their family members all born in this local area? If not, how is their place of birth different to their own local area? If they were, how different is the local area since they were born? Talk about their memories of how it has changed.

- **Understanding Others and Appreciating Differences:**

Research different places of worship that can be found in their local area. Can they find their nearest Church? Mosque? Synagogue? Temple? Gurdwara? What can they find out about them? Draw pictures and label them with any information they find out.

- **Reflect:**

Think about what would improve their local area. What is their local area lacking? What spoils their local area? What could be done?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

[Online Classroom](#)-This is a Department for Education site that has three quality lessons a day per year group.

[BBC Bitesize](#). There are some great activities for the children to access on a daily basis here.

Please remember, if you have any queries or need some support with any of the above activities, the Year 4 team are happy to help. Please email us at: Year4@uplandsmanor.sandwell.sch.uk and a member of staff will respond promptly.
