Jane Bakes a Cake.

One rainy Saturday Jane baked a cake. She went all the way to the shops on her skates. When Jane got home she made a big cake. She put a slice on a plate and ate it. Then Jane went outside to her pet reindeer. She gave him a plate of hay, but he did not eat it. The reindeer did not eat any hay on Saturday, or Sunday, or Monday. Jane did not know what to do. On Tuesday, Jane took some of her cake on a plate to her reindeer. He ate it all up! Jane said he could have another plate of cake, but only if he ate all of his hay... so he did!
