

WEST MIDLANDS FIRE SERVICE

Making the West Midlands Safer, Stronger and Healthier

Request a safe and well visit

Our safe and well referral forms are to inform us of a non-urgent visit where we can fit smoke detectors and give advice on fire safety in the home. If the matter life-threatening, please dial 999 or if not an emergency but very urgent, call 03300 589000.

Please Scan the code using your camera on your mobile phone or device and fill in the form to request a visit quoting ID 4417
