

## Learning Project Week beginning 13.7.20

### Year Group: Year 2

Weekly Maths Tasks	Weekly Reading Tasks
<p>This week, we have decided to focus on revision of Year 2 addition, subtraction, multiplication and division. Please complete the tasks on the PowerPoint 'Maths Week 12' in order.</p> <p>Task 1 – Addition revision. Task 2 – Subtraction revision. Task 3 – Multiplication revision. Task 4 – Division revision. Task 5 – Arithmetic test questions.</p> <p>Don't forget to log in to Numbots and Times Table Rock Stars to practise your number facts.</p>	<p>This week in reading we'd like you to read the rest of Fantastic Mr Fox. We know that this might take a while but it's essential in order to complete the writing task and it's a brilliant Year 2 book. You can read it yourself or have it read to you by an adult!</p> <p>We hope that you enjoy the book and continue to read over the holidays – your Year 3 teacher will be so happy!</p> <p>Oh, and we've uploaded some Roald Dahl comprehensions from Twinkl, just in case!</p>
Weekly Writing Tasks	Weekly Spelling and Grammar Tasks
<p>This week we'd like you to write a book review of Fantastic Mr Fox. Obviously, you will need to have read or heard the book first! So it's important that you complete the reading task. We have uploaded a link to an audio book on the document 'Writing Week 12.' Also on this document, you'll find a book review example, a blank template and the end of Year 2 writing expectations. We have also uploaded an extra task and a planning outline.</p> <p>You will need to talk through the key headings of the book review and plan what you need to write. Use the example to help you with what to include and how to structure each sentence.</p>	<p><b>Task 1</b> Practise all the year 2 common exception words again and then ask someone to test you on all the spelling words.</p> <p>If you get any wrong have another go at learning those words before asking someone to test you again on those tricky words.</p>

## Learning Project to be done throughout the week

### Geography

Think about what is so great about London. Design a poster to encourage people to visit London.

### PSHE:

Your task is to think about your best memories from Year 2. What have you achieved? What have you learnt?

### Art and DT:

Your task is to learn about flags. You need to design a flag then watch a short video on how to create a flag at home using origami.

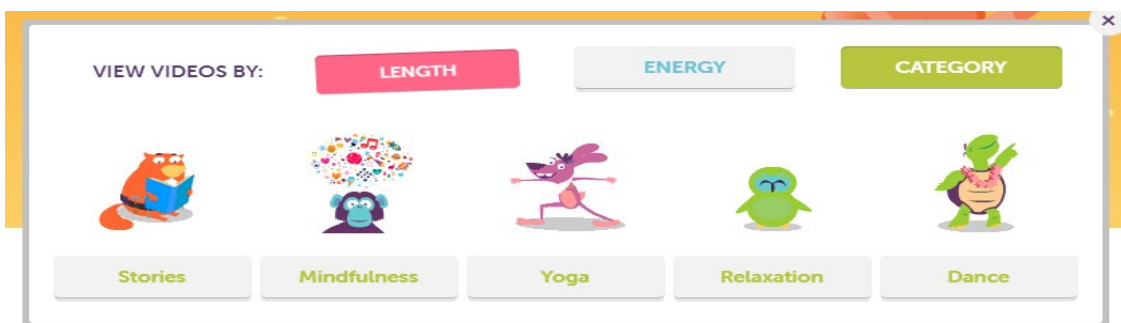

### Outdoor Learning

We have uploaded 2 outdoor learning pages (Maths and English) that will encourage you to extend your learning outside. Can you complete all challenges?

### P.E.

Go onto Cosmic yoga website ([www.cosmickids.com/category/watch/](http://www.cosmickids.com/category/watch/)) and do a routine.

You could do 1 routine every day if you like. Have fun and get other people in your family to join in.

## Additional learning resources parents may wish to engage with

[Espresso](#) - a useful resource filled with interactive games and videos for all subjects. Log in details on school website under Home Learning/Year 2/ Year 2 links

[Oxford Owl Phonics](#)- additional phonics support

[White Rose Maths](#) - maths tool

[TT Rockstars and Numbots](#) - access to numbots

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Follow us on Twitter for additional support!

To our wonderful Year 2 children,

I just wanted to tell you how proud I am of you! It's been so nice seeing some of you in school or speaking to you on the phone and I have been astounded by your learning that I see online! You've made us all smile. I am so sorry that our journey was disrupted and that we didn't get to finish our journey together but please don't be sad. We'll all still be here in September so you can come and say hello! And Miss Swann will be up in Year 3 with you! Make sure that you rest over the holiday and relax and have fun. Do not worry about school in September, your teachers will keep you safe, make you laugh and make sure that you catch up with your learning. Your friends will all be here waiting for you. I know they will. I miss you all and will look forward to seeing you in September!

Stay Safe

Mr Flavell
