

This half term our topic focus is

# LONDON

## LESSON 4

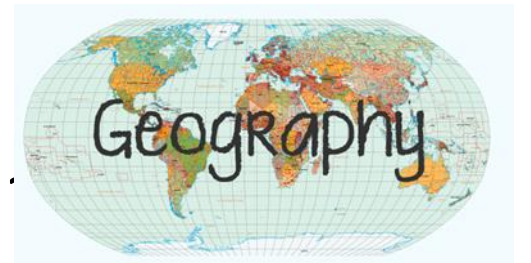

# TASK 1 This is the London Underground map.

Look carefully at the coloured tube lines and the stations, do you recognise any of the names?

## TASK 2 Use the underground map to answer these questions

1. How many different underground lines (different colours) are there?
2. Which underground line is black?
3. Which underground line is yellow?
4. Oxford Circle (right in the middle) is on which 3 lines?
5. Which river is shown on the map?
6. I want to travel from Camden town (in the north) to Green Park, plan the journey and tell me which stations you would travel through?
7. Choose another journey to describe. Which lines would need to use and which stations would you pass through?

## TASK 2 Use the underground map to answer these questions

1. How many different underground lines (different colours) are there?

11

2. Which underground line is black? **Northern line**

3. Which underground line is yellow? **Circle line**
