Watch the story Ruby finds a worry on YouTube

Grown ups talk about things that you worry about and what your child might worry about, Eg. starting school. How do we feel when we are worried? Talk about how important it is to talk about things that worry us so that they don't become even more upsetting.

Try playing 'snap' with a pack of cards, making sure that you wait your turn before putting down the next card. When two cards the same are put down, the quickest person to place their hand on the top of the pile and shout snap, wins that pile. If you don't have a pack of cards you could cut out numbers to 10 twice, mix them up and use those. Good Luck!</p>
