

Writing Week 5

Task 1

Read the story of Little Red Riding Hood. If you already have a copy, brilliant, if not we have uploaded a PowerPoint from Twinkl that contains a version of the story. Talk about what is happening and what your favourite part of the story was. Can you break the story down into beginning, middle and end?

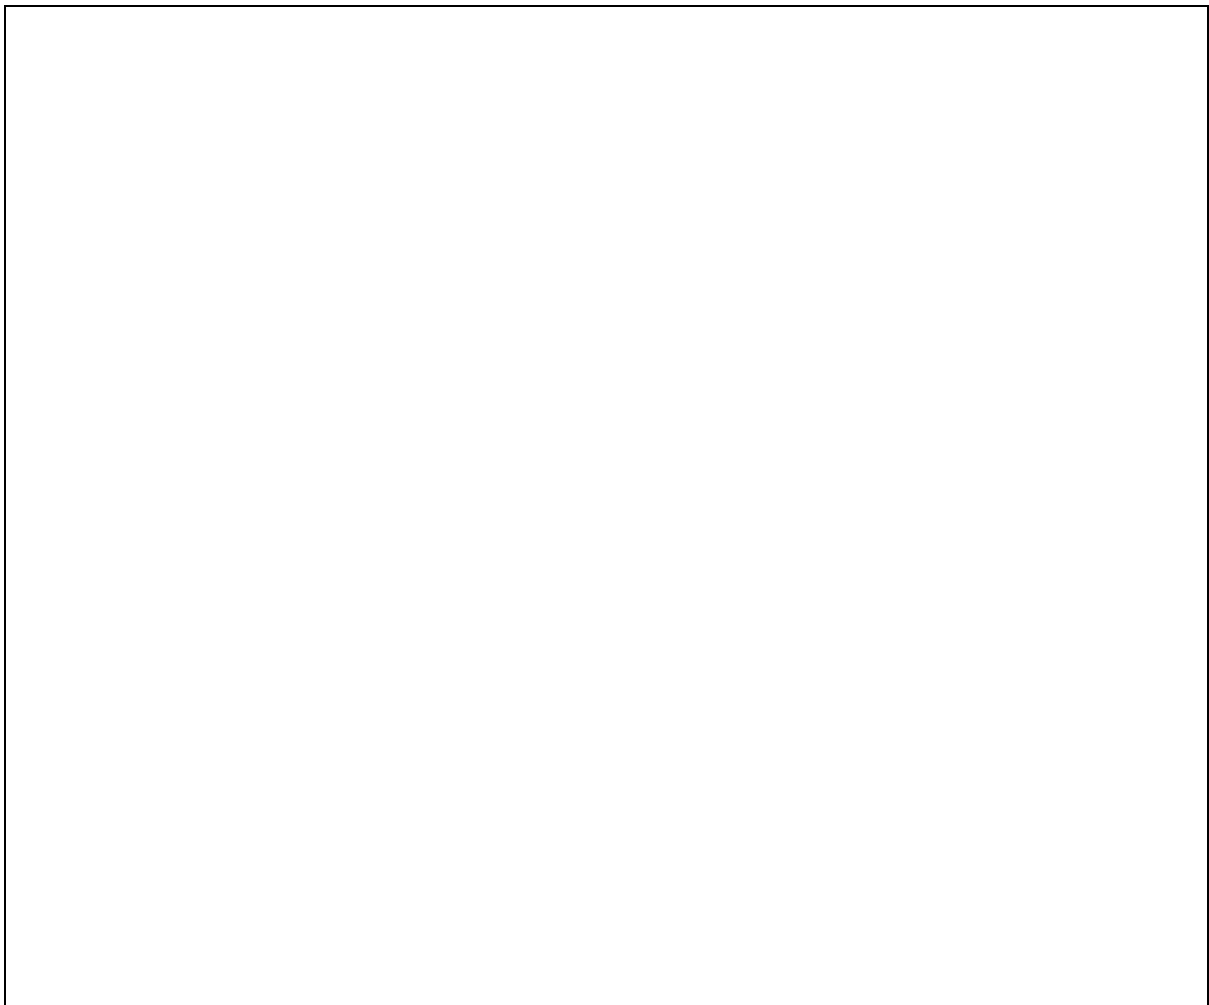

Task 2

We'd like you to break the story down into 4 key parts, the beginning, build up, problem and ending. Draw 1 picture from each part of the story and talk about what is happening. Use the boxes below.

Beginning	Build Up
Problem	End

Task 3

Little Red Riding Hood wants to take her Grandma some food and treats because she is poorly and she misses her. Times are hard at the moment and we are all missing our families. We want you to think about the people you are missing (grandparents and friends etc) and think about what you would take them if you could visit. Would it be food, a picture, a gift? Record your ideas below. You can write a list or draw 😊

Task 4

We'd like you to plan a text message to send to the person you chose yesterday. You need to think about what you want to say BUT you must keep to a limit. Text messages are short so you can only plan to write 4 sentences. Let's make them perfect! We have added some ideas and a planning frame below.

What have you been up to?	Why do you miss them?
What would you like to give them when you see them next?	What are you most looking forward to doing together?

Task 5

Now we'd like you to write your message. You could use the format below or some lined or plain paper that you already have. You could also type it up! We have added an example and a checklist on the next page...

A large rectangular box with a pointed bottom, containing ten horizontal lines for writing. The box is empty and intended for the student to write their message.

Checklist

<u>Try to include</u>	<u>Have you included?</u>

Mum

I have been very busy doing all of my school work and going for long walks every day. I miss you so much because you always make me smile and make me laugh. When I can visit, I will bring you some delicious cakes for us to eat. I'd also like to play with the dogs in the garden and have some food. X
