

## Learning Project Week beginning 11.5.20

### Year Group: Year 2

Weekly Maths Tasks	Weekly Reading Tasks
<p>We have decided to focus on division this week. Tasks 1, 2 and 3 (<b>Maths week 4 PowerPoint</b>) naturally progress and should be completed in order. The other tasks can be completed as you wish!</p> <p><b>Task 1</b> Complete task 1 on the 'maths week 4' PowerPoint. Remember to draw your arrays or groups to help you.</p> <p><b>Task 2</b> Complete task 2 on the 'maths week 4' PowerPoint. Remember to count how many groups.</p> <p><b>Task 3</b> Test your knowledge of division by solving these problems!</p> <p><b>Task 4</b> Spend 30 minutes on Numbots. It would be really useful if you focused on division.</p> <p><b>Task 5</b> Spend 30 minutes practising your times tables skills on TTRockstars.</p>	<p>To support the reading journey, it would be helpful if the following tasks were completed in order and where possible in your red home schooling books. You will find a PowerPoint to help you complete your learning in the English section of the main page!</p> <p><b>Task 1</b> Complete the first section of 'Mr Davies and the baby' test paper.</p> <p><b>Task 2</b> Complete the second section of 'Mr Davies and the baby' test paper.</p> <p><b>Task 3</b> How many words can you read in a minute? Practise reading the text and see how many words you can read in 1 minute.</p> <p><b>Task 4</b> Self-assessment of the test.</p> <p><b>Task 5</b> Phonics Activity using the 'o-e' sound.</p>
Weekly Writing Tasks	Weekly Spelling and Grammar Tasks Week 2
<p>This week we'd like you plan your own ending to our story. We think you create a much more exciting version! Please use the document 'writing week 4.'</p> <p><b>Task 1</b> Think about where your characters could go? Choose a setting for your story ending to take place.</p> <p><b>Task 2</b> Think of some exciting describing words (adjectives) for your chosen setting and use them to write a short descriptive passage.</p> <p><b>Task 3 and 4</b> Decide on a problem and a solution for your story. What will go wrong? How will the characters solve the problem?</p> <p><b>Task 5</b> Plan your own story ending using the comic strip style of planning. Draw a picture for each part of your story ending then write a small caption.</p>	<p><b>Spellings</b> Regular practise of the 6 spelling words using the strategy: Look, say, cover, write, check. <i>This week's words are: door even every everybody eye fast</i></p> <p><b>Task 1</b> Use this week's spelling words to complete simple sentences.</p> <p><b>Task 2</b> Practise your spellings using the fancy writing strategy.</p> <p><b>Task 3</b> Can you find the spelling words in the crossword?</p> <p><b>Grammar – Tenses</b></p> <p><b>Task 1</b> Are these sentences in the past or present tense.</p> <p><b>Task 2</b> Change these sentences into the past tense.</p> <p><b>Task 3</b> Change these sentences into the present tense.</p> <p><b>Task 4</b> Find the past tense of the irregular verbs.</p>

**Task 5** Answer the SATs style questions.

## Learning Project to be done throughout the week

### History

Samuel Pepys is a very significant individual from the past. Use the Samuel Pepys PowerPoint to see if you can find out why...We'd also like you to create a Samuel Pepys fact page showcasing your learning. If you're interested, you can still buy Pepys' diary now! This 'old' Magic | Grandad might add a bit of fun to your learning!

<https://www.youtube.com/watch?v=VarSSAwimU>

### R.E.

This week we'd like you to open the file 'prayer beads' and start by discussing the different named that Muslims use for God. Muslims use prayer beads or a Subha whilst praying. Can you make your own Subha?

### PSHE

We loved seeing all of your learning about family and why family is so important. We'd now like you to think about friendships and being a good friend. I'm sure you miss your friends like we do! Sometimes friendships can break down and need 'mending.' Use the friendships file and create your own poster!

### P.E.

We really need to stay healthy. Aim to spend at least 30 minutes a day exercising. You could complete The P.E. with Joe workout at 9am or have some fun on Just Dance. Gardens can be used but keep safe! We'd love to see your routines on Twitter.

### EXTRA MATHS

As you're do so well with maths, we have decided to set you 3 extra challenges this week. We have uploaded 2 tasks (arithmetic task 1 and 2) and an arithmetic test. Get practising!

## Additional learning resources parents may wish to engage with

[Espresso](#) - a useful resource filled with interactive games and videos for all subjects. Log in details on school website under Home Learning/Year 2/ Year 2 links

[Oxford Owl Phonics](#)- additional phonics support

[White Rose Maths](#) - maths tool

[TT Rockstars and Numbots](#) - access to numbots

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Follow us on Twitter for additional support!
