April 2024

Dear Parents/Carers

As there are only four school weeks until the Year 6 SATs take place, it is important that we work together to support your child as much as possible with their learning.

Over the next few weeks, we will be working hard to build your child's confidence across the core subjects and they may come home with extra tasks which have been set by their class teacher. Please continue to support your child in completing tasks which have been set in their revision guides (Maths, Reading and GPS) and also in completing any additional tasks which are sent home – these will be based on specific target areas for your child.

In addition to ensuring that your child is completing the tasks set, please talk to them about the things they have been doing in their lessons and ask them to talk you through how they would answer the questions that have been set – explaining the steps to someone else will help cement their understanding!

Please continue to encourage your child to read at home at least three times each week and discuss any vocabulary which they are unsure of too.

With only a few weeks to go, it is also essential that children are in school as much as possible to ensure that we can continue to address any gaps in their learning.

The children have been working extremely hard and we are grateful of all of the support which you provide.

Thank you for your continued support,

Mrs L Monk  
UKS2 Phase Leader
