Task 3 and 4 In June year 1 children would have taken the phonic screening check. Here is last year's test. How many words can you read? Remember to look for special friends first and then sound out the word. Take your time to get them right. You don't have to read them quickly. Remember there are some real words and alien words. There are 2 sections in the test. The words get harder towards the end. There are 40 words altogether. The pass mark last year was 32. If you want to print the words you can circle the special friends you spot.
