The wide-mouthed frog

Once there was a big wide-mouthed frog with the biggest, widest mouth you ever saw. One sunny day he set off to see the world.

First he met a blue bird.

‘Who are you and what do you eat?’ shouted the frog.

‘I am a blue bird and I eat wriggly worms and slugs’ said the bird snapping his beak.

‘Well I’m a wide-mouthed frog and I eat flies’ said the frog.

Next he met a furry brown mouse. ‘Who are you and what do you eat?’ shouted the frog. ‘I am a mouse and I eat crunchy seeds and soft berries’ squeaked the mouse wriggling her whiskers.

After that he met a long green crocodile. ‘Who are you and what do you eat?’ shouted the frog. ‘I am a crocodile and I eat wide-mouthed frogs’ snarled the crocodile showing his sharp white teeth.

'Oh, you don't see many of those' said the frog with the smallest mouth he could make and he jumped into the pond with a SPLASH!
