

Week beginning 12.10.20

Year Group: Nursery

We would love to see what learning you've been doing at home! Please send photos in using the **Evidence Me app**. We also have a Nursery twitter page (@NurseryUmps) where you can share your learning with us and the rest of the school.

**Daily tasks**

**Phonics:**

- Go onto google for phase 1 phonics game: [type letters and sounds phase 1 phonics](#)

Click 'sound starter' game. Click each button and listen to the sound. See if your child can identify the sound.

If you cannot access the internet then perhaps you could hide some objects under a blanket and shake the object so that your child can listen and identify what the sound might be.

Practise every day, aim to recognise and remember the different sounds.

**Reading:**

Parents to share a book with children daily. Visit Oxford Owl for free eBooks. You can create a [free account](#).

Complete the linked Play activities for each book.

**Weekly Maths Tasks**

**Number Activities:**

- Practise counting up to 5

**Sing the song:**

Twinkle Twinkle Little Star

Twinkle twinkle little star  
How I wonder what you are?  
Up above the world so high  
Like a diamond in the sky  
Twinkle twinkle little star  
How I wonder what you are?

**Weekly Reading and Writing Tasks**

**Share a story with your story**

- After you have read the same story a few times ask questions about the story as you read with your child e.g.

What did the character say?

What happened at the beginning of the story... middle...?

What might happen at the end of the story?

What do you like about the story?

**Can your child go to the toilet by themselves?**

Children should be able to ask for the toilet when they need it and go to the toilet and wash their hands after.

Please practice this skill with your child and help them to become more independent.
