Pupil Attendance Policy

The name and contact details of the Senior Attendance Champion – the senior leader responsible for the strategic approach to attendance in our school, is:

Name: Mrs R Keen

Email address or contact details: headteacher@uplandsmanor.sandwell.sch.uk

The contact details of the school, pupils and parents should contact about attendance on a day-to-day basis is:

Please notify the school office of non-attendance via the school Gateway app or ring the school office on 0121 558 1602 and select option 1.

The name and contact details of the school staff member pupils and parents should contact for more individual support with attendance:

Name: Mrs H Ford

Email address or contact details: attendance@uplandsmanor.sandwell.sch.uk

The name of our linked Governor with responsibility for monitoring attendance is:

Mr R Bruce

Staff consulted: Autumn term 2024

Approved by the Governing Body: October 2024

Review Date: *September, 2025*

Uplands Manor Primary School

Pupil Attendance Policy

Introduction and Background

Uplands Manor Primary recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding;
- ensure every pupil has access to the full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors, attendance support team, local Headteacher Associations and the Local Authority. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued;
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances, and it is the *headteacher/principal*, not the parent, who can authorise the absence.**

Promoting Regular Attendance

At Uplands Manor Primary school, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

The name and contact details of the Senior Attendance Champion – the senior leader responsible for the strategic approach to attendance in our school, is:

Name: Mrs R Keen

Email address or contact details: headteacher@uplandsmanor.sandwell.sch.uk

The governor with responsibility for monitoring attendance is Mr R Bruce

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting achievements such as the weekly best attending house team.
- Reward good or improving attendance such as half termly certificates and prizes for at least 96% attendance
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness, medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.
- One day will be authorised for a religious celebration, as long as a Leave of Absence form has been completed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

The contact details of the school, pupils and parents should contact about attendance on a day-to-day basis is:

The school office on 0121 558 1602 and select option 1, or via the school Gateway app via text or email.

We monitor and review all pupils' absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

- Contact the school on the first day of absence before *9am, when our register closes*;
- Contact the school on every further day of absence, again before *9am*.
- Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS and Sandwell Council Guidance on School Absence and Childhood Illness (Appendix B).

If your child is absent we will:

- Telephone or text you on the first, and every subsequent day of absence, if we have not heard from you. However, it is your responsibility to contact us;
- If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers, a home visit may be made, in the interests of safeguarding;

If absence continues we will:

- Write to you if your child misses 3 or more days of school (6 or more sessions) and/or where punctuality is a concern;
- Arrange meetings so that you may discuss the situation with our Attendance Officer or Senior Attendance Champion
- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

The times of the start and close of the school day for all pupils at Uplands Primary School are:

Doors open: 8.40am

Registration starts: 8.45am

Registration closes: 9.00am

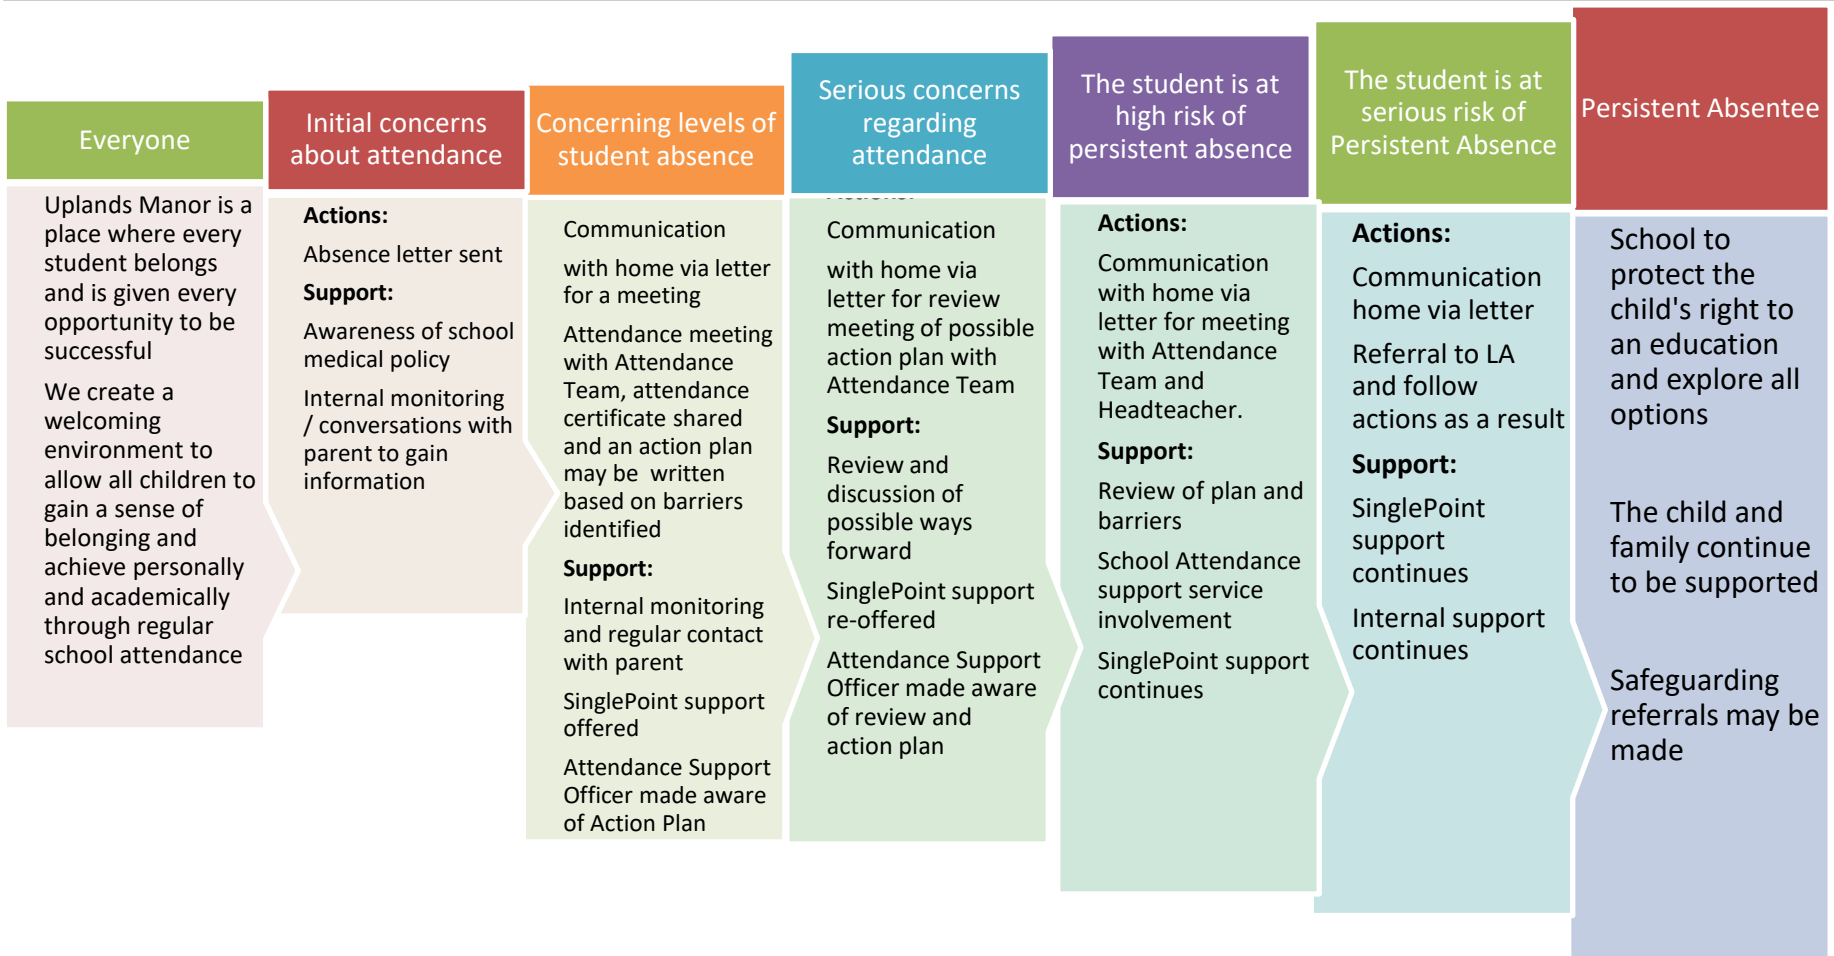

End of the school day: 3pm The Lodge, 3.20pm Nursery, 3.05am Reception, Y1 and Y2 3.10pm, 3.15pm Y3 and Y4 and 3.20pm Y5 and Y6.

How we manage lateness:

- The school day starts at **8.40am** when children can begin to come into school;
- Registers are taken from **8.45am**;
- Children arriving after **8.50am** are required to come into school via the late door at the front of school. At 9am, if accompanied by a parent/carer they must sign them into our ipads / 'Late Book' and provide a reason for their lateness, which is recorded. School staff are present, greeting late arrivals.
- At **9.30am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns;

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with Mrs Ford and / or Mrs Keen but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

Expect A culture where all children can, and want to be, in school	Monitor Use attendance data to identify patterns of poor attendance	Listen and Understand Understand barriers to attendance and work together to remove them	Facilitate Support Access support to overcome barriers outside of school	Formalise Support This may include formalising support through the LA	Enforce Statutory intervention or prosecution to protect the child's right to an education
--	---	--	--	---	--

All letters are sent at school's discretion as each child/family circumstances are taken into consideration.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these pupils, however we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for summary tables of responsibilities for school attendance.

The contact details of the school staff member, pupils and parents should contact for more individual support with attendance:

Education Welfare Officer or Attendance Administrator

Email address or contact details: attendance@uplandsmanor.sandwell.sch.uk

Local Authority attendance support services

The Schools Attendance Support Service works strategically by offering support to schools, to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Appendix C) or prosecution in the Magistrates Court.

School Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10 school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Sandwell Code of Conduct, in respect of each parent believed to have allowed the absence.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to the Department for Education on a daily basis Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024. Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.

Appendix A: DfE guidance Summary table of responsibilities for school attendance. From 19th August 2024

https://assets.publishing.service.gov.uk/media/65e8ae343649a2001aed63aa/Summary_table_of_responsibilities_for_school_attendance_applies_from_19_August_2024.pdf

All pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Ensure their child attends every day the school is open except when a statutory reason applies.</p> <p>Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness).</p> <p>Only request leave of absence in exceptional circumstances and do so in advance.</p> <p>Book any medical appointments around the school day where possible.</p>	<p>Have a clear school attendance policy on the school website which all staff, pupils and parents understand.</p> <p>Develop and maintain a whole school culture that promotes the benefits of good attendance.</p> <p>Accurately complete admission and attendance registers.</p> <p>Have robust daily processes to follow up absence.</p> <p>Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on.</p> <p>Have a dedicated senior leader with overall responsibility for championing and improving attendance.</p>	<p>Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures.</p> <p>Ensure school leaders fulfil expectations and statutory duties.</p> <p>Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed.</p> <p>Ensure school staff receive training on attendance.</p>	<p>Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services.</p> <p>Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance.</p> <p>Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice.</p> <p>Offer opportunities for all schools in the area to share effective practice.</p>

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand their child's barriers to attendance.</p> <p>Proactively engage with the support offered to prevent the need for more formal support.</p>	<p>Proactively use data to identify pupils at risk of persistent absence.</p> <p>Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance.</p> <p>Where out of school barriers are identified, signpost and support access to any required services in the first instance and act as lead practitioner if attendance is the only issue and/or the local threshold for formal early help is not met.</p> <p>If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. If a case meets the local threshold for formal early help/family support, this includes conducting the early help assessment and acting as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Hold a regular conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so.</p> <p>Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance.</p> <p>If the issue persists, and there are multiple needs consider whether the threshold for early help is met and facilitate access where it is. Regardless, take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner in cases where threshold is met and all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.</p>

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand their child's barriers to attendance.</p> <p>Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.</p>	<p>Continue support as for pupils at risk of becoming persistently absent and:</p> <p>Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners.</p> <p>Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future.</p> <p>Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention.</p> <p>Where there are safeguarding concerns, intensify support through a referral to statutory children's social care.</p> <p>Work with other schools in the local area, such as schools previously attended and the schools of any siblings.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Continue support as for pupils at risk of becoming persistently absent and:</p> <p>Work jointly with the school to provide formal support options including attendance contracts and education supervision orders.</p> <p>Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners.</p> <p>Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).</p>

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand their child's barriers to attendance.</p> <p>Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.</p>	<p>Continue support as for persistently absent pupils and:</p> <p>Agree a joint approach for all severely absent pupils with the local authority.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Continue support as for persistently absent pupils and:</p> <p>All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision.</p> <p>Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.</p>

Support for cohorts of pupils with lower attendance than their peers

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Not applicable.</p>	<p>Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them.</p> <p>Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.</p>

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand their child's barriers to attendance.</p> <p>Proactively engage with the support offered.</p>	<p>Maintain the same ambition for attendance and work with pupils and parents to maximise attendance.</p> <p>Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed.</p> <p>Consider additional support from wider services and external partners, making timely referrals.</p> <p>Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families.</p> <p>Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.</p>

Support for pupils with a social worker

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand their child's barriers to attendance.</p> <p>Proactively engage with the support offered.</p>	<p>Know who the pupils who have, or who have had, a social worker are.</p> <p>Understand how the welfare, safeguarding, and child protection issues that they are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration for the cohort.</p> <p>Provide additional academic support and make reasonable adjustments to help them, recognising that even when statutory social care intervention has ended, there can be a lasting impact on children's educational outcomes.</p> <p>Work in partnership with the local authority at a strategic and individual level, sharing data on attendance including, at an individual level, informing the pupil's social worker if there are any unexplained absences and if their name is to be deleted from the register.</p>	<p>Regularly review attendance data and help school leaders focus support on the pupils who need it.</p>	<p>Ensure that all Children's Social Care practitioners, understand the importance of good attendance for pupil's educational progress, for their welfare and their wider development – and understand their role in improving it.</p> <p>Through the work of Virtual School Heads, they should:</p> <ul style="list-style-type: none"> • Undertake systemic monitoring and data sharing of the attendance of children with a social worker in their area: developing and implementing targeted cohort level interventions to improve attendance. • Provide advice, challenge and training to schools on how to promote and secure good attendance for children with a social worker. • Develop whole system approaches, with social care, to support the attendance of children in need.

Looked after and previously looked after children

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
<p>Work with the school and local authority to help them understand the child's barriers to attendance – including the development of Personal Education Plans.</p> <p>Proactively engage with the support offered.</p>	<p>Have high expectations for the cohort – with expert support and leadership provided by the designated teacher for looked-after and previously looked-after pupils.</p> <p>Work in partnership with the local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked-after children that support good attendance.</p> <p>Work directly with parents to develop good home-school links that support good attendance. For previously looked-after pupils this could include discussion on use of the Pupil Premium Plus funding managed by the school.</p>	<p>Designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils.</p> <p>Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.</p>	<p>Promote the educational achievement of looked-after and previously looked-after children – doing everything possible to minimise disruption to education when a pupil enters care.</p> <p>(LA that looks after the child:) Appoint an expert Virtual School Head (VSH) – will:</p> <ul style="list-style-type: none"> • Monitor, report on, and evaluate the education outcomes of looked after children, including their attendance, as if they attended a single school- whenever they live or are educated. • Ensure schools know when they have a pupil looked after by the authority on their role and that information is shared with the school on issues that may impact on their attendance. • Ensure that all looked-after pupils have high quality, up to date, effective Personal Education Plans developed in partnership with schools, social workers and carers – including, where necessary, clear interventions and use of pupil premium plus funding to support good attendance. • Provide expert advice and information on the education of previously looked-after pupils to schools and parents – including their attendance.

Monitoring

Parents:	Schools:	Academy trustees and governing bodies:	Local authorities:
<p>Schools regularly update parents on their child's attendance.</p> <p>(If parents feel the school and or local authority have not delivered what they are expected to they should discuss the case with the school and/or local authority's attendance support team.)</p>	<p>The school's Senior Attendance Champion will ensure all school based staff complete their attendance responsibilities in line with the school's policies and procedures.</p> <p>The governing board or academy trust will hold the headteacher or executive leadership to account for their delegated responsibilities and for compliance with regulatory and statutory requirements. They will review progress and provide challenge when required. The board will help school leaders focus improvement efforts on the individual pupils or cohorts who need it most and ensure that school staff receive adequate training on attendance.</p> <p>Ofsted will expect schools to do all they reasonably can to achieve the highest possible attendance as part of the behaviour and attitudes judgement. This includes, where attendance is not consistently at or above what could reasonably be expected, that schools have a strong understanding of the causes of absence (particularly for persistent and severe absence) and a clear strategy in place that takes account of those causes to improve attendance for all pupils.</p> <p>Ultimately, in cases where a school has not met expectations or statutory duties the Secretary of State can consider a complaint.</p>	<p>DfE Regions Group considers multi academy trusts' efforts on attendance as part of decision making.</p> <p>Ofsted considers governing bodies' efforts as part of inspections.</p>	<p>DfE Regions Group monitors local authority efforts as part of regular interaction.</p> <p>Ofsted may consider the local area partnership's approach to improving attendance of children and young people with SEND as part of the SEND Area Inspection, and the local authority's approach to improving attendance for children with a social worker through inspecting local authority children's services.</p> <p>Ultimately, in cases where a local authority has not met expectations or statutory duties the Local Government and Social Care Ombudsman or the Secretary of State can consider a complaint.</p>

Appendix B:

Guidance on infection control in schools and other childcare settings in Northern Ireland

September 2024

Prevent the spread of infections by ensuring routine immunisation, high standards of personal hygiene and practice, particularly handwashing, and maintaining a clean environment. Please contact the Public Health Agency **Health Protection Duty Room on 0300 555 0119** or

visit www.publichealth.hsc.ni.net or www.gov.uk/government/organisations/uk-health-security-agency if you would like any further advice or information, including the latest guidance. Children with rashes should be considered infectious and assessed by their doctor.

Rashes and skin infections	Recommendation advised to be kept away from school, nursery or childcare setting	Comments
Adenovirus	None	Adenovirus is not a serious condition. Treatment is not required.
Chickenpox*	Until all sores have crusted over	See: Vulnerable children and female staff - pregnancy
Cold sores (Herpes simplex)	None	Avoid kissing and contact with the sores. Children are generally mild and self-limiting.
Common scabies (scabies)	Four days from onset of rash for pet (Derm Book 2)	Preventable by immunisation (MM1 + 2) also see: Female staff - pregnancy
Hand, foot and mouth	None	Contact the Duty Room if a large number of children are affected. Exclusion may be considered in some circumstances.
Impetigo	1000 lesions are crusted and healed or 48 hours after commencing antibiotic treatment	Antibiotic treatment speeds healing and reduces the infectious period.
Measles*	Four days from onset of rash	Preventable by vaccination (MM1 + 2). See: Vulnerable children and female staff - pregnancy
Molluscum contagiosum	None	A self-limiting condition.
Ringworm	Exclusion not usually required	Treatment is required.
Scarlet fever	None	None.
Shingles	Child can return after first treatment	Handwash and close contacts require treatment.
Strep throat*	Child can return 24 hours after commencing appropriate antibiotic treatment	Antibiotic treatment is recommended for the affected child. Ensure that one child has started their contact PVA Duty Room for further advice.
Strep throat (Strep pharyngitis or streptococcal DTS)	None once rash has developed	See: Vulnerable children and female staff - pregnancy
Shingles	See table only if rash is weeping and cannot be covered	Contact childcarer in those who are not return to school not had chickenpox. It is important to know why does contact. Further information is required, contact the Duty Room, Stit: Vulnerable Children and Female Staff - Pregnancy
Warts and warts	None	Warts should be covered with covering pads, dressings and dressings.

Diarrhoea and vomiting illness	Recommendation advised to be kept away from school, nursery or childcare setting	Comments
Shigella and/or cholera	48 hours from last episode of diarrhoea or vomiting	
E. coli (EPEC, ETEC)	Should be excluded for 48 hours from the last episode of diarrhoea	Further exclusion is required for young children aged five years and under and those who have difficulty in adhering to hygiene practices.
Typical* (and atypical*) (EHEC) (EHEC)	Further exclusion may be required for some children and they are no longer weeping	Children in these categories should be excluded until there is evidence of microbiological clearance. This guidance may also apply to some contacts of cases who may require microbiological clearance.
Shigella dysenteriae	None	Please consult the Duty Room for further advice.
Cryptosporidium*	Excluded for 48 hours from the last episode of diarrhoea	Exclusion from swimming is not advised for two weeks after the diarrhoea has settled.

Respiratory infections	Recommendation advised to be kept away from school, nursery or childcare setting	Comments
Rhinovirus	None	See: Vulnerable children
Tuberculosis*	Always consult the Duty Room	Requires prolonged close contact for spread.
Whooping cough* pertussis	48 hours from commencing antibiotic 48 hours following commencement of recommended antibiotic therapy, or 14 days from the onset of illness if untreated.	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. The Duty Room will register any contact tracing necessary. Some individuals that work with vulnerable groups/pregnant women may require exclusion based on evidence excluded from work as well as a diagnosis of pertussis is suspected and 48 hours following commencement of recommended antibiotic therapy or for 21 days following the onset of cough if untreated. Contact Duty Room for more advice.
COVID-19 (coronavirus)	Stay at home and avoid contact with other people until you no longer have a high temperature (if you had one) or until you feel better. www.nhs.uk/your-ahha/the-ahha-symptoms-and-how-to-protect-yourself-from-covid-19	See: Vulnerable children

Other infections	Recommendation advised to be kept away from school, nursery or childcare setting	Comments
Chlamydia	None	If an outbreak occurs, consult the Duty Room.
Diphtheria*	Exclusion is essential. Always consult with the Duty Room.	Early contacts must be excluded and linked to returning to the Duty Room. Preventable by vaccination. The Duty Room will register any contact tracing necessary.
Diphtheria toxin	None	
Head lice	None	Treatment is recommended only to cases when lice have been seen.
Hepatitis A*	Two weeks until seven days after onset of jaundice for seven days after symptoms cease if no jaundice	The Duty Room will advise on any vaccination or other control measure that are needed for close contacts of a single case of hepatitis A and for suspected outbreaks.
Hepatitis B, C, HAV/HEC	None	Hepatitis B and C are bloodborne viruses that are not spread through casual contact. For cleaning of body fluid spill, see: Good Hygiene Practice.
Meningococcal meningitis* septicaemia*	Until recovered	Some forms of meningococcal disease are preventable by vaccination (see immunisation schedule). There is no reason to exclude siblings or other close contacts of a case. In case of an outbreak, it may be necessary to provide antibiotics with or without meningococcal antibodies to close contacts. The Duty Room will advise on any advice needed.
Meningitis* (due to other bacteria)	Until recovered	HBs and pneumococcal meningitis are preventable by vaccination. There is no reason to exclude siblings or other close contacts of a case. The Duty Room will give advice on any action needed.
Meningitis* (not)	None	Mild illness. There is no reason to exclude siblings and other close contacts of a case. Contact tracing is not required.
MRSA	None	Good hygiene, particularly handwashing and environmental cleaning, are important to minimise any danger of spread. If further information is required, contact the Duty Room.
Mumps*	Exclude child for five days after onset of swelling	Preventable by vaccination (MM1 + 2) also see:
Throat disease	None	Treatment is not recommended for the child and household contacts.
Typhoid	None	There are many causes, but most cases are due to food and do not need an antibiotic.

* denotes a notifiable disease. It is a statutory requirement that doctors report a notifiable disease to the Director of Public Health via the Duty Room. Outbreaks of a notifiable disease in a childcare setting are notifiable infectious diseases. They should inform the Duty Room.

Food hygiene practice: Handwashing is one of the most important ways of controlling the spread of infections, especially those that cause diarrhoea and vomiting, and respiratory disease. The recommended method is the use of liquid soap, warm water and paper towels. Always wash hands after using the toilet, before using or handling food, and after handling animals. Lower all cuts and abrasions with waterproof dressings.

Coughing and sneezing: Only sneeze into your elbow. Children and adults should be encouraged to cover their mouth and nose with their elbow. Wash hands after using or disposing of tissues. If tissues are unavailable, sneeze or cough into the crook of the elbow and not hands. Spitting should be discouraged.

Personal protective equipment (PPE): Disposable gloves and disposable plastic aprons must be worn when there is a risk of splashing or contamination with risk body fluids for example nappy or pad changing. Goggles should also be available for use if there is a risk of splashing to the face. Contact PPE should be used when handling potentially infectious chemicals.

Cleaning of the environment, including toys and equipment: should be frequent, thorough and follow national guidance. For example, you can use contact disinfectant. Follow Control of Substances Hazardous to Health (COSHH) regulations and correct disinfection of cleaning equipment. Monitor cleaning contracts and ensure cleaners are appropriately trained with access to PPE.

Cleaning of food and body fluid spillages: All spillages of food, faeces, urine, vomit, nasal and eye discharges should be cleaned up immediately before use. Use PPE when handling spillages. Use a cleaning product that contains both a disinfectant and a detergent. Use as per manufacturer's instructions and ensure it is effective against bacteria and viruses and suitable for use on the affected surface. Never pour milk for cleaning up food and body fluid spillages - use disposable paper towels and discard clinical waste as described below. A spillage kit should be available for schools.

Laundry: should be done with a separate dedicated facility. Soiled linen should be washed separately at the highest wash the fabric will tolerate. Wear PPE when handling soiled linen. Children undertaking should be bagged to prevent cross-contamination. Never reuse by hand. See www.hse.ie/eng/resources/consultation/docs/laundry/Laundry_24_11.pdf

Clinical waste: Always separate clinical and other waste. In accordance with local policy, used nappies, gloves, aprons or soiled dressings should be stored in correct clinical waste bags in a lockable bin. All clinical waste must be removed by a registered waste contractor. All clinical waste bags should be kept in a locked bin until they are collected. Issues arise with the following collection:

Sharps, needles: should be discarded straight into a sharps bin conforming to BS 6800 and UN 331 standards. Sharps bins must be kept full to the top. Sharps bins should be kept full and out of reach of children.

Sharps injuries and bites: If there is an incident or a risk of a sharps injury or bite, encourage the wound to bleed freely thoroughly using soap and water. Contact OP or occupational health or go to A&E immediately. Contact your policy holder for staff to follow. Contact the Duty Room if advice is required.

Antiseptics: Antiseptics may irritate, so wash hands after handling antiseptics. Health and Safety Executive for Northern Ireland (HSENI) guidance on protecting the health and safety of children should be followed.

Animals in school (pets and/or working): Ensure animals being kept on a leash and away from food areas. Waste should be disposed of regularly and that access is not available to children. Children should not play with animals unsupervised. Hand hygiene should be supervised after contact with animals and the areas where visiting animals have been kept should be thoroughly cleaned after use. Veterinary advice should be sought on animal welfare and animal health issues and the suitability of the animal as a pet. Facilities are not suitable to pet to schools and nurseries, at all times, for any reasons.

Vulnerable children: Some medical conditions make children vulnerable to infections that would rarely be serious in most children. These include those being treated for leukaemia or other cancers, on high doses of steroids and with conditions that seriously reduce immunity. Schools and nurseries and childcare settings normally have been made aware of such children. These children are particularly vulnerable to chickenpox, measles and pertussis (B1 and B2) and if exposed to either of these, the parents should be informed promptly and their medical advice sought. It may be advisable for these children to have additional immunisations, for example pneumococcal and influenza. This guidance is designed to give general advice to schools and nurseries. Some vulnerable children may need further precautions in the school, which should be discussed with the parent or carer in conjunction with their medical team and school health. Vulnerable children will have been offered COVID-19 vaccinations and booster vaccinations.

Female staff - pregnancy: Pregnant women should avoid direct contact with anyone who has a potentially infectious rash. This should be investigated by a doctor who can contact the Duty Room for further advice. The greatest risk to pregnant women from such infections comes from their own children, other than the workplace.

Chickpox can affect the pregnancy if a woman has not already had the infection. Report exposure to measles and CP at any stage of pregnancy. The CP and potential case will arrange a blood test to check for immunity. Single exposure to the virus while on childcarer, or anyone who has not had chickpox is potentially vulnerable to the infection if they have close contact with a case of shingles.

German measles (rubella) if pregnant women comes into contact with german measles she should inform the GP and arrange a serology test to ensure investigation. The infection may affect the developing baby if the woman is not immune and is exposed in early pregnancy.

Shingles (herpes zoster) (B1) disease or previous B19 can occasionally affect a woman child if especially in pregnancy before 20 weeks. Inform whether is giving prenatal care as this may be investigated promptly.

Measles during pregnancy can result in early delivery or even loss of the baby. If a pregnant woman is exposed she should immediately inform whether is giving prenatal care to ensure investigation.

All female staff born after 1970 working with young children are advised to ensure they have had two doses of MMR vaccine.

**The above advice also applies to pregnant students.

Immunisation advice: Immunisation advice should be checked at school entry and at the time of any vaccination. Parents should be encouraged to have their child immunised and any immunisation missed or further catch-up doses requested through the child's GP.

For the most up to date immunisation advice and current schedule visit www.gov.uk/health-checklist or the current health service can advise. Contact national immunisation helpline.

When to Immunise	Disease vaccine protects against	How to given
1-2 months old	Diphtheria, tetanus, pertussis (whooping cough), polio, Hib and measles (B 1 & 2)	One Injection
3 months old	Rotavirus	Orally
4 months old	Meningococcal B infection	One Injection
5 months old	Diphtheria, tetanus, pertussis, polio, Hib and hepatitis B (B 1 & 2)	One Injection
6 months old	Pneumococcal infection	One Injection
7 months old	Rotavirus	Orally
8 months old	Diphtheria, tetanus, pertussis, polio, Hib and hepatitis B (B 1 & 2)	One Injection
12 months old	Meningococcal C infection	One Injection
15 months old	Measles, mumps and rubella	One Injection
16 months old	Pneumococcal infection	One Injection
18 months old	Hib and meningococcal C infection	One Injection
2 years old	Meningococcal B infection	One Injection
Every year from 5 years old up to and including 17/18	Flu vaccine	Health centre or injection
3 years and 4 months old	Diphtheria, tetanus, pertussis and polio	One Injection
4 years and 4 months old	Measles, mumps and rubella	One Injection
5 years and 4 months old	Conditions caused by human papillomavirus (including genital warts and anal and oropharyngeal cancer) and conditions of the mouth, throat, anus and genital in boys and girls and genital warts	One Injection
14 to 16 years old	Tetanus, diphtheria and polio	One Injection
	Meningococcal ACWY	One Injection

This is the recommended schedule as of September 2022. Children who present with certain risk factors may require additional immunisations. Please contact the most updated version of the 'Green Book' for the latest immunisation schedule on www.gov.uk/government/consultations/green-book-immunisation-advice.

Staff immunisation: All staff should undergo a full occupational health check prior to employment, this includes ensuring they are up to date with immunisations, including two doses of MMR.

Original material was produced by the Health Protection Agency and this version adapted by the Public Health Agency, 10-12 Lanyon Place, Belfast, BT2 9BS. Tel: 0300 120 0114. www.publichealth.hsc.ni.net

Appendix C:

From 19th August 2024, the new National Framework for issuing penalty notices will apply

National Threshold

There will be a single consistent national threshold for when a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 days) of unauthorised absence within a rolling 10-school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span over different terms and school years.

Penalty Notice Fines will continue to be issued per parent per child.

For example: 2 parents with 3 children would receive a total of 6 Penalty Notices

1

First Offence

The first time a Penalty Notice is issued for a Term Time Holiday or Irregular School Attendance the Penalty Notice will be charged at:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

(Unpaid Penalty Notices after 28 days may result in a prosecution)

2

Second Offence

(within 3 years of the First Offence)

Where it is deemed appropriate to issue a second Penalty Notice to the same parent for the same pupil within 3 years of the first notice, the second Penalty Notice will be charged at:

£160 per parent, per child paid within 28 days.

(Unpaid Penalty Notices after 28 days may result in a prosecution)

3

Third Offence and any further Offences

(within 3 years of the First Offence)

The third time that an offence is committed for either a term time holiday and/or Irregular attendance, a Penalty Notice will not be issued, the case may be proceeded straight to prosecution under the Single Justice Procedure.

If found guilty of the offence of 'failure to secure their child's regular attendance at a school' the Magistrates can impose a fine up to £1,000 and you will have a criminal record

PLEASE NOTE: If you take any Leave of Absence PRIOR to 19th August 2024 (e.g. in July 2024) then the Penalty Notice will be at the old rate of £60/£120. Any Leave of Absence taken in September 2024 will be charged at the new rates as above
