September 2026

Dear Parents & Carers,

At Uplands Manor, we take the safety of our school community very seriously. As part of this work, we have reviewed our fire evacuation and emergency lockdown procedures and will be sharing the information with the children so that, if we ever have to use either procedure, they will be confident to know what to do to keep themselves safe. We will also continue to hold regular practices of our fire evacuation and emergency lockdown procedures.

I know that for some children, these practices can cause anxiety and, would like to give you this advance notice so that you can reassure your child as needed.

In the event of a real emergency, we would, of course, inform parents via Arbor as soon as possible.

Your faithfully

Mrs R Keen
Headteacher
