June 2026

Dear Parents & Carers

I would like to reassure you that, during the very hot weather, school will remain open. We have an old building with thick walls which keep the school cool. We are managing the heat by closing blinds and using fans.

Please make sure that your child:

- Wears sensible summer uniform
- Has sun cream applied at home before school (staff are unable to apply it in school)
- A water bottle (labelled)
- A sunhat or cap (labelled)

Please remember that we can only give medication that has been prescribed by a doctor. If your child has been prescribed any new medication or inhalers, please go to the school Reception to complete a medical form.

We will monitor the heat during break and lunchtimes to ensure it is safe for children to be outside. PE lessons will be inside unless there is enough shade outside and limit physical activity inside.

Thank you for your support.

Yours faithfully

Mrs R Keen
Headteacher
