# Tricky Word Bingo

*A game for 4 players. Each player has a base mat (words in black).*

*Cut out the blue words and use them as cards. Mix them up and put them face down in the middle of the group.*

*One person starts and takes a card from the top. They read out the word and place it over the same word on their mat. Go around the group taking turns and covering words on the mats. If somebody picks a word from the pack that they have already covered, they miss a turn and put that word at the bottom of the pile of cards.*

*The winner is the person who covers all of their words first.*
