

## Project 1:

- A model of the Saturn V rocket.
- A model of the Eagle.
- A model of the solar system.
- A model of an astronaut.
- A painting of how the Earth looks from the moon.

# Year 5

## Home Learning Projects

This half term's projects focus on:

Space

## Project 4:

Write:

- A poem or song to help you remember the names of the planets in order.
- A report describing each of the planets in our Solar System.

## Project 2:

- Study the news and find out what is happening in space research at the moment.
- What is NASA's next mission?
- What are they hoping to achieve? How did they do this?
- What has been discovered recently? How? What next?

## Project 3:

Research:

- What it takes to become an astronaut.
- What it is like to stay in space.
- What the food is like in space.

## Project 5:

Compare:

- The number of moons each planet has.
- The temperature of the planets.
- Orbit times for each of the planets.
