

Families can be diverse or comprised solely of a single nationality.

I would like you to learn more about your own family and create a family tree including as many relatives as you can. Feel free list each relatives name, what relation they are to you, where they were born and any interesting facts that you can learn about them.

Challenge: Choose one of these relatives and interview them to find out more about them and your family.

School can be a very challenging place to be for any child, but it can be even more challenging for children who have a disability or feel different to everyone else.

I would like you to imagine that you are the headteacher at a school. How would you make sure that everyone was treated fairly and felt included as part of the school.

For example at Uplands we have ramps and elevators for children in wheelchairs or who have difficult walking and have assemblies to celebrate different languages and religions

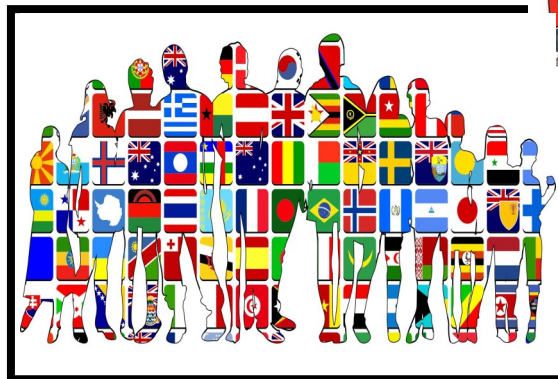

Year 6

Home Learning Projects

**This half term's projects focus on:
Diversity and Celebrating Difference**

To hand in by: 14.12.20

Books to read: and websites to visit...

Festivals and celebrations are important to people of all religions and those that choose not to follow a specific faith.

What celebrations and festivals are important to you and your family?

Choose a different faith or religion and create an information leaflet or poster that describes and explains festivals and celebrations that are important to them.

You can choose more than one faith if you would like and you can compare these festivals to your own.

Thanks to advances in transport and technology the world is now a much more connected place. You can now speak to someone as far away as China and can travel to a different county in a matter of hours. As a result of this, many of the things that are important to us come from different parts of the world. I would like you to create a flag that represents everything that is important to you and where it comes from. For example, part of the flag might be the Italian flag because you love pizza, another part might be the German flag because that is where your breed of dog is from and another part could be the Jamaica flag because that is where your Grandmother is from. How many flags can you include in yours?!
