10	$3 + 3 =$	
----	-----------	--

20	$7 + 7 =$	
----	-----------	--

Write in the missing numbers. The first has been done for you.

Can you write in which numbers are missing in the sums below?

Double 1 is \Rightarrow $1 + 1 =$

Double 2 is \Rightarrow + =

Double 3 is \Rightarrow + =

Double 4 is \Rightarrow + =

Double 5 is \Rightarrow + =

Double 6 is \Rightarrow + =

Double 7 is \Rightarrow + =
