

# *All About India*

# Note to parents

This term we have been learning all about India in geography. We would like children to create their own all about India poster. Children to make a poster sharing what they have learnt about India over the past few weeks. The PowerPoint recaps some of the information we have learnt. Children can use this information to create their own poster. They can draw pictures and write some facts about India on their posters.

# Facts about India

India's location: India is part of Asia and is near Russia and China. India has sea/ocean on the left and right of it.

India

India has a similar shape to an Indian elephants ear.
