 <p>Understanding the world Oak Academy</p>	<p><u>People who helps us (Firefighters)</u> Our topic this half term is 'People who help us'. This week you will look at police officers and what they do.</p> <p><u>Lesson 1: To understand what a fire fighter does.</u> In this lesson, we will learn about the role of a firefighter. We will pay close attention to the mechanics of a fire engine and get creative by building one. https://classroom.thenational.academy/lessons/to-understand-what-a-fire-officer-does-6hj36e</p> <p><u>Lesson 2: To create an observational picture of a fire engine.</u> In this lesson, we will use a photo of a fire engine to help us create an observational picture. We will really focus on the key features of a fire engine, including the shapes and colours. https://classroom.thenational.academy/lessons/to-create-an-observational-picture-of-a-fire-engine-6xgp4r</p> <p><u>Lesson 3: To recall the key features of a fire engine.</u> In this lesson, we will identify the key features of a fire engine. We will then use junk modelling resources to create a representation of a fire engine, including the key features that we have learned about. https://classroom.thenational.academy/lessons/to-recall-the-key-features-of-a-fire-engine-70vp2t</p>		
<p>If you have any questions about your child's remote leaning, please email your child's teacher (Reception Only) at: eyfs@uplandsmanor.sandwell.sch.uk</p>
