

Marking VE Day in the Wider Curriculum:

Art and Design - pattern and colour work using the colours of the Union Jack to create bunting for a street party.

- line and shading work to draw the local memorial (use a photograph if you can't visit) and try and capture the shadow and light.

Music - compare the music of the time to modern music and identify similarities and differences between them.

- learn to sing one of the songs and think about the meaning and the tone it should be sung with.

PSHE - watch the video of VE day in London and consider or list why people were celebrating and why it's important that we remember it today.

Design Technology - Plan what you would serve for a street party to mark the end the war in Europe. To add additional challenge, learn about rationing and limit the food available to be used during the party.
