

- Research and write about an organism (animal or plant) that lives in the rainforest.
- Write a story about the life of a child surviving in the rainforest.
- Design and make a rainforest model (no bigger than A4).

- Create 'Did you know?' fact cards about rainforests. Get the class to discover amazing facts!
- Using your knowledge of data handling, create charts and graphs to show data that interests you. This could be favourite rainforest animals, animals in the rainforest, rainfall for each month

**Year 4**

## Home Learning Projects

**This half term's projects focus on:**

**The Rainforest**

**To hand in by: 03.04.20**

**Books to read: and websites to visit...**

<https://www.theschoolrun.com/homework-help/rainforest-habitats>

- Research what is happening to the rainforest and how the habitats of many animals are being destroyed. Write a formal letter to the Government to persuade them to 'Save our Rainforests'
- Write a poem about the rainforest.

- Compare the rainforest to another habitat, discussing the similarities and differences.
- Research about an endangered species from the rainforest and create a persuasive poster to save the animal.
- Draw a diagram of the structure of the rainforest. Label and describe the four layers.
