Dear Parent/Guardian

Year 4 residential 2025

Following on from the success of our residential visits this year, we are looking at securing a residential visit for Spring 2025. This year, we were able to offer a 2-night residential stay for our years 3 and 4, and 5 and 6 children. Moving forwards, we would like adopt a model where we offer one residential visit per year to either our Year 4 or Year 6 children. This will alternate each year with Year 4 being offered the opportunity next year (2025) and Year 6 the year after (2026) and so forth. We have decided to focus on specific year groups so that the opportunities we provide are planned and consistent across school but to also allow us to encourage more children to attend the residentials when they occur.

In order to begin the cycle, we would like to arrange a residential visit to Frank Chapman for Spring 2025. This would be for **Year 4** children (current Year 3) and would involve a **1-night stay**. I am writing to you to gauge an initial interest and to scope as to whether the residential is viable before confirming anything with the centre therefore am currently unable to confirm definite costs or specific information.

If you think that your child **might** be interested in attending a residential visit next year, please return the slip below by Monday 29th April.

Yours faithfully

Mr J Flavell
Assistant Head Teacher
