Learning Project to be done throughout the week

PSHE

Complete the 'All About Me' sheets to give to your new teacher in Year 2 in September.

Science

As we have covered most areas of the Science curriculum, we have decided to upload 2 end of unit tests each week (with answers). These will focus on 1 Science unit (eg plants) and test key knowledge. Test 1 is a mid-topic test and test 2 is an end of topic test so will naturally be more difficult.

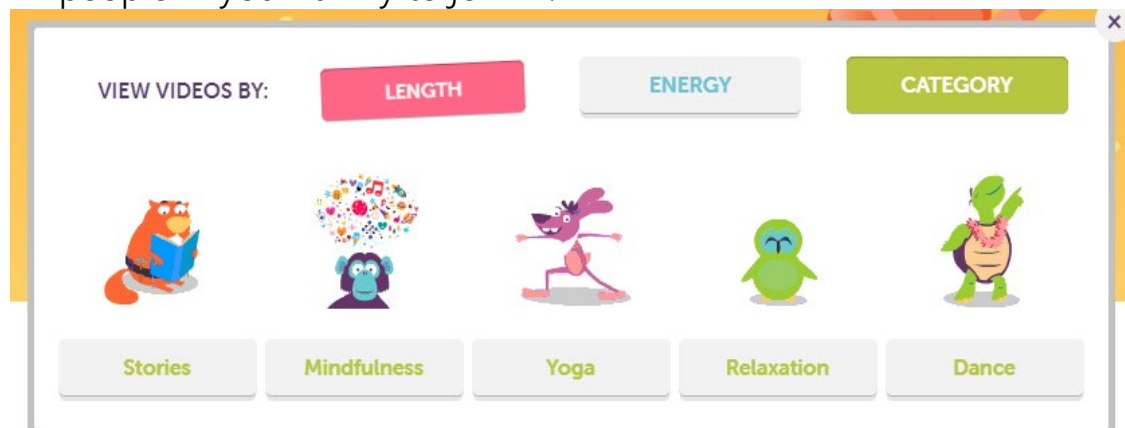

Outdoor Learning

We have uploaded 2 outdoor learning pages (Maths and English) that will encourage you to extend your learning outside. Can you complete all challenges?

P.E.

Go onto Cosmic yoga website (www.cosmickids.com/category/watch/) and do a routine.

You could do 1 routine every day if you like. Have fun and get other people in your family to join in.

Happy holidays everyone. We have missed you

all and are looking forward to seeing you in September!

To our wonderful Year 1 children,

It's been a while since I have seen you all and I just wanted to say that I am very proud of you. It's been lovely seeing some of you in school, speaking to you on the phone or seeing you on social media. I am so glad that you have been working hard at home and I know that you will be ready for Year 2. I hope that you have a wonderful holiday and rest lots, it's important that we relax and enjoy ourselves. Don't worry about next year, the teachers will make sure that you're safe, have fun and catch up with any learning that you've missed. I can't wait to see you all in September!

Stay Safe

Mr Flavell
