

Uplands Manor Primary School—Geography—Knowledge Organiser

Unit: Weather and seasons

Year 1, Autumn

National Curriculum: Identify seasonal and daily weather patterns, including features of the four seasons. Use information books and pictures as sources of information. Create a weather diary.

Diagrams and Symbols

Unit Overview

How is the year organised into months and seasons?

What are the differences between the seasons?

How can I show what season I am in?

How do people dress for different kinds of weather?

How can I tell the weather's story?

How does the weather affect people's work?

Key Vocabulary

season	A time of the year with a particular type of weather.
temperature	How hot or cold it is.
weather	What the air and sky are like outside.
rain gauge	A tool you can use to show how much it has rained.
Weather forecast	Explaining what the weather will be like.
