

Reading.

Task 1 Read this poem and see if you can perform it to an adult. The first time you perform it you can have the words in front of you. Next time try to learn it so you can say the poem without looking at the words.

Insects All Around

Sing to the tune of Twinkle, Twinkle Little Star

Ladybirds and butterflies,
Buzzing bees up in the sky.
Teeny, tiny little ants,
Crawling up and down the plants.
Many insects can be found,
In the sky and on the ground.

Task 2

Which animals are in the sky?

How are the ants described?

Where can insects be found?

What are the rhyming words in this poem?

What animals might you find in the garden which are not in the poem?
