Practise phonics screening check

Learning Project to be done throughout the week

Science

Our topic this term in science is animals. Use the PowerPoint to recap the groups of animals (reptile, mammal, amphibian, bird and fish) with your child.

Task 1 – Draw and label a mammal
British bird.

Task 2 – Draw and label a

DT

It's time to make your fruit salad! Look back at the PowerPoint and your fruit salad designs. What fruit did you decide to put into your fruit salad and why?

Task – Make a fruit salad using a range of fruit. Encourage your child to use a plastic knife and have a go at cutting up the fruit independently. Ask a range of questions about health and safety, i.e. wash hands and dry hands. Encourage your child to cut the fruit in different ways. Attached is a simple recipe and method. Enjoy!

Geography

We are continuing to find out about India. This week we will focus on the human features of India. This means all the things in India that people have made or built. Firstly, go through the PowerPoint and discuss the pictures. What do you think it is? What can you see? Do you think we have anything like this in the UK?

Task 1 – Look at the pictures and read the words together. Draw a line to match the pictures to the correct word.

Task 2 – Complete the sentences by choosing the correct word from the word bank. These words are in red. Use the pictures and powerpoint to help you.

Task 3 – Research task! Find out 3 things about the capital city of India, New Delhi. Use the following website to help you: https://kids.kiddle.co/New_Delhi

PSHE

This week we will focus on equality. It is important to spend some time to educate children about treating all people with respect no matter what colour we are. A book by Arree Chung called, Mixed: A Colourful Story might help you to explain this sensitive yet important issue to your child. <https://www.youtube.com/watch?v=SlbGioTNs4M>

Task: With your child, create a poster to show that we are all equal and that we stand together with everyone in our community no matter what we look like. Below are some examples based on current events taking place around the world.

Below is a link to a

lovely Sesame Street song called: Colour of me

https://www.youtube.com/watch?time_continue=138&v=4sqN2J9_axY&feature=emb_logo

P.E. FOOTBALL IS BACK!!!! WE WANT TO SEE YOUR FOOTBALL SKILLS! Use this week's exercise time to practise dribbling a ball or passing a receiving a ball with a family member!

Additional learning resources parents may wish to engage with

[Espresso](#) - a useful resource filled with interactive games and videos for all subjects.

Log in details on school website under Home Learning/Year 2/ Year 2 links

[Oxford Owl Phonics](#)- additional phonics support

[White Rose Maths](#) - maths tool

[TT Rockstars and Numbots](#) -

access to numbots

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
