

Year 5

Home Learning Projects

This half term's projects focus on:
The Industrial Black Coun-

English:

- Can you find the meanings of the words below? These are words that you will learn more about in geography.

Primary, secondary, industry, goods, trade, manufacturing, economic and distribution.

- Describe the image in the middle of this page using descriptive language.
- Create a short poem describing something related to the Industri-

Geography:

A) Research the Black Country and answer the questions below:

- 1) Where does the name come from?
 - 2) Where is the Black Country? Draw a map .
 - 3) What does the Black Country flag represent?
 - 4) How is the landscape of the Black Country different when compared today to 100 years ago?
 - 5) What is the geography of the Black Country like?
- B) What is a canal and why were they so important?

C) Research air pollution and create a poster

Books to read and websites to visit...

- Visit the website *Pobble365* and complete the daily activities in your homework books
- Visit the website *Literacy Shed* and complete a reading comprehension task of your choice

Maths:

- Choose 5 regions in the UK. Look at the populations of these regions. Compare them using < > or =
- Create your own worded problems using addition and subtraction. Don't forget to use key vocabulary we have discussed in class! Post your problems online for your classmates to solve!

More, altogether, plus, how many

DT:

- Can you think of an invention that you would like to design and make that would have been useful during the Victorian era?
- Create your invention and upload your pictures onto our schools twitter page so your teachers can see your amazing designs!
- Evaluate your product and
