

LO: Use sources of information that go beyond simple observations to answer questions about the past. (Historical enquiry)

.Look at the pictures and answer the questions to find out about Ancient Greeks

Week 2

Why do you think the people are dressed differently?
What do their clothes suggest about the climate of the country?
Why do you think the person is pointing at the building?
What might the building be used for?

Week 2

How do you know that these people lived a long time ago?
What kind of jobs do you think these people did?

What do you think this building was used for? (Explain why you think this?)
What do you like about this building?
Why do you think this building may have been important for the Ancient Greeks?
