

# English Classes at Cape Hill Children's Centre

Basic English courses every Wednesday at Cape Hill Children's Centre.

We currently offer two courses:

First Steps English for new learners and Entry Level 1 for the more advanced.

- **First Steps:** before you can join this course, you will need to speak to a member of staff to do an initial assessment to make sure the course is right for you. For more information call 07980 321766.  
In this ESOL class we will talk about our everyday lives. You will learn how to say dates and times. You will expand on the basic questions you can ask and answer for personal information. You will learn more new words and continue to develop your reading and written skills.
- **Entry 1:** We will use everyday situations like travel and transport, house and home, health and going shopping to learn English, practise asking questions, listening for information and develop good pronunciation so you can communicate better. This could help you go to appointments by yourself, talk to neighbours, join in with local groups, or just feel more independent in your everyday life.
