

Week beginning 19.10.20

Year Group: Nursery

We would love to see what learning you've been doing at home! Please send photos in using the Evidence Me app. We also have a Nursery twitter page (@NurseryUmps) where you can share your learning with us and the rest of the school.

Daily tasks

Phonics:

- Go onto google for phase 1 phonics game: [type letters and sounds phase 1 phonics](#)

Click [Guess the Animal](#)

In this game you can first choose to meet the animals. This allows children to become familiar with the pictures and animal noises used in the game. Next you can play guess the animal. Click the New Animal button and a box will be delivered with a noisy animal hidden inside. Click the picture that matches.

If you cannot access the internet then perhaps you could hide some objects under a blanket and shake the object so that your child can listen and identify what the sound might be. Practise every day, aim to recognise and remember the different sounds.

Reading:

Parents to share a book with children daily. Visit Oxford Owl for free eBooks. You can create a [free account](#). Complete the linked Play activities for each book.

Weekly Maths Tasks

Number Activities:

- Practise counting up to 5

Sing the song: Baa Baa black sheep

Weekly Reading and Writing Tasks

Share a story with your story

- After you have read the same story a few times ask questions about the story as you read with your child e.g.

What did the character say?

What happened at the beginning of the story... middle...?

What might happen at the end of the story?

What do you like about the story?

Can your child go to the toilet by themselves?

Children should be able to ask for the toilet when they need it and go to the toilet and wash their hands after.

Can your child take off and put on their coat?

Please practice these skills with your child and help them to become more independent.
