

# Internet Safety

## *How can we stay safe online?*

Your task is to create a presentation or a poster on how to help others stay safe online.

This can be done on your computer, laptop or tablet or even on paper as you show off your artistic skills!

## *Useful links and websites:*

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

## *Things to include:*

- What information is safe to share online?
- What information should you not share?
- If you see or hear anything unsafe online, how can you report it?
