## Key Instant Recall Facts Year 1 - Spring 1

## $I$ know doubles of numbers to 5 and $I$ can count in 2 s , to 20

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

| $1+1=2$ | Double 1 is 2 |
| :--- | :--- |
| $2+2=4$ | Double 2 is 4 |
| $3+3=6$ | Double 3 is 6 |
| $4+4=8$ | Double 4 is 8 |
| $5+5+10$ | Double 5 is 10 |

Double 2 is 4

## Key Vocabulary <br> Add <br> One <br> Zero <br> Double <br> Equals <br> Two more <br> Steps of two <br> Forward backwards

Children should be aware that doubling is "two lots of that number'

Children should be able to count in steps of 2 from any multiple of 2, forwards and backwards.
$0,2,4,6,7,10,12,14,16,18,20$
$6,8,10,12 \ldots$
$20,18,16,14,12,10 \ldots$

## Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources - You could use playing cards with numbers 1-5. Play snap or matching games to find the same number twice. What are the two numbers added together?

## Play games or watch videos. - https://www.youtube.com/watch?v=Ik -OAgzD-8
